

PASAPORTE ULE

Call for Co-Teaching of faculty members from ULE

A new Call for the Program of International Teaching Support, also known as Co-Teaching, will be launched in the next few days. The objective of this program is to foster collaboration and the development of quality teaching experiences among scholars from the University of León and their peers at foreign partner universities. More info: www.unileon.es/internacional

Teaching in English Accreditation Program

The Office of the Vice-Rector for International Affairs has launched a program that, in accordance with the linguistic policy of the CRUE, supports teachers in the accreditation of their level of English. During the second semester of this academic year more than 30 faculty members will be attending a course focused on the preparation of an official accreditation exam.
