*Generaciones Jóvenes como Agentes del Cambio*

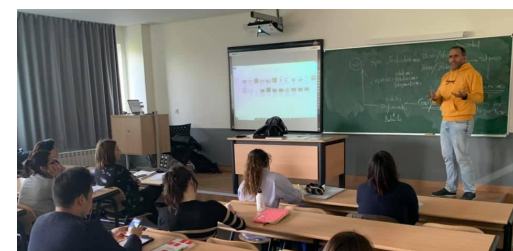

## 6 students at the ULe under the "Young Generations as Change Agents" project

The Project "Young Generations as Change Agents" is part of the call for pilot projects on legal migration launched by the European Commission, CE-DG Home, with the instrument of Association for Mobility (MPF), implemented by the International Center for Migrations for Political Development (IMCPD). The project aims to establish a circular legal migration scheme with Morocco with a phase of mobility of young Moroccan graduates who have taken a 1-year Master's Degree in Spain during the academic year 2019-20 and the implementation of business and entrepreneurship projects upon returning

to Morocco once the Master's Degree is completed. The project, which is divided into 3 phases, covers 20 months and started on May 1st, 2019. The Universidad de León has received 6 students under this project:

- MD. Geo informatics for natural resource management.
- MD. for Research in Psychology and Educational Sciences (2 students).
- MD. Advanced Studies of Flora and Fauna.
- MD. International development cooperation (2 students).

For more information, see link.

## 20 international students awarded with a TalentUnileon scholarship

The TalentUnileon are scholarships of excellence granted by the Universidad de León and organised by the Vice-Rectorate for Internationalisation. Aimed at international students who want to pursue their undergraduate or master's degree studies at the Universidad de León. In the academic year 2020-2021, these scholarships will benefit 20 students who have been through the different selection phases.

## Internationalisation at home

The Universidad de León will participate in the next #ErasmusDays, a series of events that take place throughout Europe to give visibility to the projects of the Erasmus program. In this edition, online activities and virtual events will be promoted. Pencil in these dates October 15th, 16th and 17th, 2020.

## Erasmus+

### Re Open Europa

Get to know the new European institutional page on reopening borders. Very useful information for those who are thinking of moving to another country. The European Union, and all its member states, are planning a safe reopening of Europe. This interactive tool provides the information to confidently plan a trip. The information is updated frequently and is available in 24 languages for your convenience. <https://reopen.europa.eu>

<https://reopen.europa.eu>

### Are you about to embark on an Erasmus+ mobility?

Download the Erasmus+ app. This is the official app of the Erasmus + platform where you can keep everything you need for your mobility up to date. The Erasmus + APP is a tool to help students search for everything they need to know about the opportunities offered by Erasmus + and, especially, to interact with those utilities developed specifically to facilitate exchange programs, including direct connection to the Erasmus + Online Language Support System (OLS), as well as the digital signature of learning agreements.

## info for youth people: Castilla y León Guarantee Newsletter

Are you familiar with the Castilla y León Guarantee Newsletter? Get to know the available opportunities for youth in the community. You can also check the León Youth Guarantee Newsletter, along with those of the rest of the provinces of Castilla y León and the weekly TRAINING special. Also available are the YOUTH GUARANTEE WEBINARS. There are a lot international opportunities like EVS.

## International Projects Office

On June 2nd and 4th, the TEAVET project, coordinated by Javier Vidal García, held a coordination meeting with the participation of the entire consortium. Originally, the meeting was planned to take place at the Universidad de León, but due to the COVID situation, was held via virtual means. The meeting had the participation of the Office of International Projects OPI and it was a success. Project website: <https://teavet.org/>

(SGroup) offered a web page of the Think Tank Academy project dedicated to Sustainable Development: Health, Environment, Society and Education. It took place on July 6th. Eloy Bécades Mantecón, Professor of Ecology at the Universidad de León was one of the participants. You can check the project website: <http://sgroup.be/project/think-tank-academy>
