

At ULE, some courses in English (EC) or in English-friendly (EF) can be studied. English-friendly courses are those in which materials, assignments, deliverables, and tests are in English, but the lessons are conducted in Spanish. In both cases, combining these courses with courses delivered in Spanish at any School/Faculty is possible. In addition, our University of León Language Center also offers Spanish language courses with university credits recognition.

Below you will find a list of courses which are offered in some of these modalities:
