Predoctoral contract application

INFORMATION MODEL. The document to be signed and submitted, also at the University General Registry, is generated automatically from the call's application form, with the applicant's details and as many rows of merits as declared. This model only shows its structure and content: each section shows one example row.

Applicant's details

FIRST NAME: *Click to type*

SURNAMES: *Click to type*

ID CARD / NIE / PASSPORT: *Click to type*

ADDRESS: *Click to type*

POSTCODE: *Click to type* **CITY:** *Click to type* **COUNTRY:** *Click to type*

TELEPHONE: *Click to type* **EMAIL:** *Click to type*

DEGREE: *Click to type*

STUDIES COMPLETION DATE (dd/mm/yyyy): *Click to type*

RESERVED QUOTA (disability of 33 % or more): ☐ Yes ☐ No

S T A T E S: That, being aware of and meeting the requirements of the call,

R E Q U E S T S: That this application be accepted for processing in order to take part in the call of the **Predoctoral Contracts Programme of the University of León Research Programme 2026**, in order to carry out a research project leading to a doctoral thesis at ULE with the following characteristics:

Research project details

FIELD OF KNOWLEDGE[1]: *Click to type*

MODE: ☐ Ordinary ☐ Sandwich Academia ☐ Sandwich Company

PROJECT TITLE: *Click to type*

DOCTORAL PROGRAMME[2]: *Click to type*

Research project supervisor's details

FULL NAME: *Click to type*

DEPARTMENT / INSTITUTE: *Click to type*

AREA OF KNOWLEDGE: *Click to type*

RESEARCH GROUP: *Click to type*

Thesis co-supervisor (only if the thesis will be co-supervised)

FULL NAME: *Click to type*

DEPARTMENT / INSTITUTION: *Click to type*

[1] *The supervisor's field of knowledge as recorded in this year's research productivity estimate (section g) of rule 8), for the allocation by field set out in rule 2.*

[2] *Title of the ULE doctoral programme to which an application for admission has been submitted, meeting the necessary requirements (section c) of rule 4).*

Submitting this application implies acceptance of the rules of the call by the applicant and by the research project supervisor.

This application must be filed at the University of León General Registry and also through the call's online form. Both steps are mandatory (section b) of rule 10).

Applicant's academic record and curriculum vitae[3]

(Attach the corresponding supporting evidence)

a) Average mark of the academic record according to section a) of rule 6: *Click to type*

b) Have you received the Bachelor's Degree Outstanding Award? ☐ Yes ☐ No

c) Have you received the Master's Degree Outstanding Award? ☐ Yes ☐ No

d) Curriculum vitae:

Only research merits obtained after completing the bachelor's degree will be considered.

d.1) International grants awarded on academic merit in competitive calls

1.- Programme: *Click to type* · Period (start / end): *Click to type*

d.2) National grants awarded on academic merit in competitive calls

1.- Programme: *Click to type* · Period (start / end): *Click to type*

d.3) Local grants awarded on academic merit in competitive calls

1.- Programme: *Click to type* · Period (start / end): *Click to type*

Only those obtained after the bachelor's degree will be considered, except as stated in the rules. Erasmus, SICUE, Amicus or similar grants are not assessed.

d.4) Additional master's degree

Only if it is an official master's degree other than the one used to calculate the average mark.

Title: *Click to type* **Institution:** *Click to type* **Grade:** *Click to type*

d.5) Complementary scientific training and activities

d.5.1) Publications in quality-assured scientific journals listed in impact indexes (JCR/SJR/CIRC, etc.)

State the DOI and attach the page or pages that prove the publication (for example, the first page of the article).

1.- Full reference and DOI: *Click to type* · Q: *Click to type*

d.5.2) Monographs, book chapters or books published after acceptance by an independent editorial committee and with ISBN or ISSN

For each contribution, attach a copy of the instructions for authors or guide stating that manuscripts are reviewed by an editorial committee.

1.- Full reference, ISBN / ISSN: *Click to type*

d.5.3) Other publications in quality-assured journals that are not indexed or have no relative quality index

1.- Full reference: *Click to type*

d.5.4) Contributions to international scientific conferences or talks at scientific courses

1.- Authors, title, conference or course and year: *Click to type*

d.5.5) Contributions to national scientific conferences

1.- Authors, title, conference and year: *Click to type*

d.5.6) Stays related to your research training

Of at least one week, after completing the bachelor's degree and funded through competitive mobility calls or equivalent programmes. Stays at ULE institutes, groups or departments or at centres in the province of León are not assessed.

1.- Centre and country: *Click to type* · Period (start / end): *Click to type* · Call that funded it: *Click to type*

The applicant states that the information provided for the assessment of their merits is true.

[3] *The applicant authorises the use of these data solely for the assessment of their merits, as set out in rule 6 of the call.*

Research project report

Applicant's full name: *Click to type*

Project title: *Click to type*

Project report (maximum 1,500 words):

Click here to write the report (maximum 1,500 words)

Sandwich mode Academia / Company (only if applied for)

a) Committed stays related to the development of the doctoral thesis project

At least three months must be completed during the first two years of the contract. The total time away from ULE may not exceed 12 months (rule 10).

1.- University, centre or company and country: *Click to type* · Period and number of months: *Click to type* · Year of the contract: *Click to type* · Co-funding (Yes/No): *Click to type*

Does the company have a University-Company Chair agreement with ULE? ☐ Yes ☐ No

Is it a company in which ULE holds a stake? ☐ Yes ☐ No

In a company in which ULE holds a stake, the company must fund the whole stay.

AREA OF KNOWLEDGE: *Click to type*

RESEARCH GROUP: *Click to type*

TELEPHONE: *Click to type* **EMAIL:** *Click to type*

AFFILIATION WITH ULE: ☐ Permanent academic staff with PhD ☐ Ramón y Cajal ☐ Beatriz Galindo ☐ Assistant Professor (Ayudante Doctor)

ACTIVE SEXENIO: ☐ Yes ☐ No ☐ Not required (Ramón y Cajal or Beatriz Galindo)

IS, OR UNDERTAKES TO BE, THE THESIS SUPERVISOR OR CO-SUPERVISOR? ☐ Yes

Have your research groups had predoctoral contract holders in the last five years? ☐ Yes ☐ No

Is the supervisor of the research project assigned to the Ponferrada Campus, where the project submitted to this call will be carried out? ☐ Yes ☐ No

Except for publications and the sections where indicated, supporting evidence for the merits is not required.

a) Scientific and technical record (2022-2026)

Scientific contributions from the last 5 years (2022-2026) will be assessed up to a maximum of 1.5 points.

Attach the page or pages that prove each publication in sections a.1 to a.4 (for example, the first page of the article with its DOI).

a.1) Publications in quality-assured scientific journals (listed in impact indexes or with independent anonymous review)

1.- Full reference and DOI: *Click to type* · Q: *Click to type*

a.2) Publications in quality-assured journals that are not indexed or have no relative quality index

1.- Full reference: *Click to type*

a.3) Research monographs and complete books with prestigious publishers

1.- Full reference: *Click to type*

a.4) Other contributions (monographs, chapters, books) published after acceptance by an independent editorial committee and with ISBN

1.- Full reference: *Click to type*

a.5) Patents

1.- Reference: *Click to type*

b) Training capacity (2022-2026)

b.1) Doctoral theses supervised and defended in the assessment period

Attach supporting evidence for theses defended at institutions other than the University of León.

1.- PhD candidate, title and grade: *Click to type* · Year of defence: *Click to type* · University of defence: *Click to type* · International mention (Yes/No): *Click to type*

b.2) Master's theses supervised and defended in the assessment period

Attach supporting evidence for master's theses defended at institutions other than the University of León.

1.- Student, title and Master's programme: *Click to type* · Year of defence: *Click to type* · University of defence: *Click to type*

b.3) International stays (at least 3 weeks long)

Attach supporting evidence.

1.- Centre and country: *Click to type* · Period (start / end): *Click to type*

b.4) National stays (at least 3 weeks long)

Attach supporting evidence.

1.- Institution: *Click to type* · Period (start / end): *Click to type*

b.5) Active participation in the Eureca-Pro alliance (Task Forces, LH Missions, etc.)

Attach supporting evidence.

1.- Working group: *Click to type*

c) Capacity to fund research (2022-2026)

Attach supporting evidence when the projects are not managed by the University of León.

c.1) International, national or regional projects managed by the SGI (Universitas XXI)

1.- Reference, title, funding body and period: *Click to type* · PI / Participant: *Click to type*

c.2) Projects not managed by the University of León (with supporting evidence)

1.- Reference, title, funding body and period: *Click to type* · PI / Participant: *Click to type*

c.3) Active agreements or contracts under article 60 LOSU managed by the SGI

With a budget above €10,000 (Sciences, Health Sciences, Engineering and Architecture) or above €1,000 (Arts and Humanities, Social Sciences and Law).

1.- Reference, body, budget and period: *Click to type* · Director / Participant: *Click to type*

c.4) Eureca-Pro alliance micro-projects or similar

1.- Title and period: *Click to type*

The undersigned, proposed as supervisor of the applicant's research project, states that the information in their curriculum vitae, provided for the assessment of their merits as research project supervisor, is true.

Applicant: *Click to type*

Documents attached (tick as appropriate)

Applicant

☐ Identity document: valid Spanish ID card (DNI), equivalent document of an EU Member State or residence card.

☐ Official academic transcript (original or certified copy), showing the marks, the average mark and the completion date of the bachelor's and, where applicable, master's studies.

☐ Proof of application for admission to a ULE doctoral programme.

☐ Applicant's curriculum vitae expressly addressing the criteria of rule 6, with supporting evidence of the merits.

☐ Copy of the bachelor's degree certificate and, where applicable, of the master's degree certificate.

☐ Copy of the Bachelor's or Master's Degree Outstanding Award, where applicable.

☐ Description of the research project, approved by the supervisor.

☐ Studies abroad: average mark equivalence statement from the Spanish Ministry of Science, Innovation and Universities.*

☐ Studies outside the European Higher Education Area: evidence of having completed at least 300 ECTS or equivalent (table of hours per credit or equivalent document).*

☐ Certificate of disability, where applicable.

☐ Evidence of the grounds for extending the degree completion date (section b) of rule 4), where applicable.

** Only in the cases indicated.*

Sandwich mode (only if applied for)

☐ Commitment letter from the host university, centre or company, approved by its head and stating the period of the stay.

☐ Proof of the co-funding commitment (amount committed, items funded and source of funds).

Research project supervisor (period 2022-2026)

☐ List of merits and supporting evidence: scientific and technical record, training capacity and funding capacity.

☐ Supporting evidence for projects not managed by the University of León, where applicable.

León/Ponferrada, *day month* 2026
