

## TRAVEL TO LEÓN:

From Adolfo Suárez **Madrid**-Barajas Airport (Recommended):

**1.-By bus:** There are some direct buses from the airport. It takes approximately 4:30-5h to get to León and it costs between 25 and 35€. The bus arrivals and departures are from T4, level 0, docks 1 to 4. The company serving León is named “ALSA” and it is recommended to buy the ticket online from the web: <https://www.alsa.es/>

Another option would be take Metro line 8 from the airport to “NUEVOS MINISTERIOS”. Once there, you should take line 6 and get out at “MENDEZ ALVARO”. There are some mechanic stairs where you have to go up and arrive at “Estación Sur” (bus station). It is run by the same company and the tickets are sold as well from <https://www.alsa.es/>. The bus takes 3 hours 45 min to get to León so we highly recommend take the bus from the airport.

You can check the metro map here: <https://www.planometromadrid.org/>

**2.-By train:** The train station is located in level -1 of terminal 4. You should take there a train called “Cercanías”, line C1 or C10 to “CHAMARTÍN”. It takes 15min to get there. You can check it here: <http://www.renfe.com/viajeros/cercanias/madrid/>
