

# PUBLICACIONES DE INVESTIGADORES DE LA ULE

## EN WEB OF SCIENCE Y SCOPUS

Primera quincena de octubre de 2019

- \* El trabajo publicado en la revista mejor posicionada de cada Área se sombrea en color verde.
  - \* Los autores de la ULE se indican en color rojo
  - \* Las revistas "open access" se indican en color amarillo.
  - \* Las referencias se muestran en formato APA (American Psychological Association, 6th)
- Número de artículos en esta entrega: 31

### Artes y Humanidades

| Artículo                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              | Factor de impacto WOS (JCR) | Factor de impacto Scopus (SJR) |

### **Aviso importante para los investigadores**

Si su trabajo figura en este listado recuerde que tendrá que actualizar sus perfiles en **ORCID**, **Publons** (antes ResearcherID) y **Google Scholar Citations** (Académico).

Lo mismo sucede para las redes sociales académicas en las que esté presente (**Mendeley**, **ResearchGate**, **Academia.edu**, etc.).

Si aún no dispone de estos perfiles y quiere crearlos, o necesita ayuda para actualizar cualquiera de ellos, diríjase a la Biblioteca de su Centro.

Elaborado por la Biblioteca de la Universidad de León\* a partir de información obtenida de **Web of Science** (Clarivate Analytics) / JCR (Journal Citation Reports) y **Scopus** (Elsevier) / SJR (Scimago Journal & Country Rank).
